### **Policy 804.8.2 (previously 1004.8.2)**

#### **Access to District Mail System**

The Board believes the District mail system should function for internal educational purposes in the schools and District. The Board, therefore, does not approve the use of the internal delivery system for the distribution of advertising matter (circulars, posters, lists, catalogues, etc.) for any non-profit or commercial group unless approved by the Superintendent of Schools or designate.
