Policy 512.15-R (previously 602.15-R)

Pilot or Innovative Projects

Individual teachers, groups of teachers, or school staffs may apply for financial support from the Innovative Projects Fund. The Supervisor of Curriculum, in consultation with the Consultative Committee on Curriculum, will:

1. evaluate the educational value and design of the proposal;
2. make recommendations to the Superintendent of Schools, if the proposal is accepted, of the amount of money to be allocated;
3. suggest alternate or additional means of funding the project when appropriate;
4. receive evaluations of the effectiveness of the innovative practices;
5. prepare reports to the Education Committee, administrative and teaching personnel in the District;
6. proposals should be submitted to the chairperson of the Consultative Committee on Curriculum no later than January, in order to be discussed during the budget preparation process.
