Policy 513.1 (previously 603.1)

Pupil/Teacher Ratio

Each school year the Board shall review the existing district pupil/ teacher ratio. In undertaking this review, the pupil/teacher ratio shall be calculated to include full-time equivalent professional staff included in the relevant section of the annual budget. After considering the recommendation of the Superintendent of Schools, and in view of budgetary considerations, the Board shall establish a pupil/ teacher ratio for the subsequent year.
