Financial Audit

In accordance with the *School Act*, Board of Education (Richmond) shall appoint an auditor to audit the accounts and transactions of the Board. The auditor shall possess the qualifications, perform the duties, be granted the powers specified in the *School Act*, and be remunerated by the District. Every trustee and every officer or employee of the Board shall make available all records required by the auditor, and give the auditor every reasonable assistance and furnish the information and explanations concerning the affairs of the Board that the auditor considers necessary to complete the audit.

The auditor shall forward to the Minister a copy of every report made by the auditor to the Board.
