

StrongStart Schedule April ~ June 2022

Welcome back to another year at StrongStart. In addition to our regular programs, we are pleased to be offering a variety of options for families to enjoy. We will be continuing with our online booking system for all StrongStart appointments. Spaces are limited so please book only one visit a week to give as many families as possible an opportunity.

Please see our legend below detailing the various programs we have on the schedule. If you have any more questions, please contact one of the Educators and we will be happy to assist you. Please dress your children for outdoor play as we hope to be outside for some portion of our time!

Thank you and we look forward to seeing you soon!
