

StrongStart and Currie Early Learning Centre Schedule September ~ December 2022

Welcome back to another year at StrongStart. We will be continuing with our online booking system for all StrongStart appointments. Spaces are limited so please book only one visit a week to give as many families as possible an opportunity. If you have any more questions, please contact one of the Educators and we will be happy to assist you.

Thank you and we look forward to seeing you soon!
