

EDUCATION: PROGRAMS

Policy 511.1 (previously 601.1)

Type of School Organization

The basic structure of the school district consists of three main divisions: the primary, intermediate and graduation programs.

The primary program includes the first to fourth years of the educational program, the intermediate program includes the fifth to eleventh years of the educational program and the graduation program includes the 12th and 13th years of the educational program.

Note: The Board operates the first year of the primary education program in accordance with the School Act and the Regulation.
