The Chairperson welcomed the gallery to the meeting.

**(b) Announcements**

**Trustee Sargent:** October is Foster Family Month in BC, which marks the 34th year of celebrating the individuals and families who open their homes to children and youth in care in BC. These caregivers work hard to ensure that the young people in their care are provided with a safe and healthy home and are cared for and nurtured through some of the most difficult and formative years of their lives. There is an urgent need for foster caregivers for children and youth throughout BC. Anyone who is interested in becoming a foster parent is

encouraged to visit [bcfosterparents.ca](http://bcfosterparents.ca) for more information. A big thank you to all Richmond Foster Families.

**Trustee Yang:** Literacy Month, celebrated in September in BC, increases awareness of the importance of literacy, and raises funds to support community-based literacy programs and initiatives across British Columbia. Literacy provides opportunities for all of us to make a substantial contribution to the education, growth and prosperity of Canada.

Beyond reading and writing, literacy allows us to understand, critically analyze, and create a variety of forms of communication. As a foundation of our society, it is crucial to thriving as individual and communities.

The 2024 theme for Literacy Month is “Literacy: The Ripple Effect” which highlights that improved literacy skills have a ripple effect, helping to improve quality of life at home, at work and in the community. We encourage everyone to connect and celebrate literacy each and every day in their school, home and community.

**Trustee Belleza:** World Teachers’ Day is held annually on October 5 to celebrate and recognize the vital role teachers around the globe play in nurturing and educating students.

The theme for World Teachers' Day 2024 is "Empowering Educators: Strengthening Resilience, Building Sustainability".

The 2024 celebrations will, in these challenging times, recognize how teachers have emerged as beacons of resilience, adapting and innovating for their students.

**Trustee Hamaguchi:** September 30 is the National Day for Truth and Reconciliation. This statutory holiday allows us the opportunity to reflect on the Truth and Reconciliation Commission’s findings and resulting Calls to Action. We encourage all in our community to reflect on the findings of the Commission, and to read the 94 calls to action.

Orange Shirt Day began in Williams Lake BC in 2013, honouring the Indigenous children who were sent away to residential schools in Canada. It has become a national movement to recognize the survivors of residential schools, honour them and show a collective commitment to ensure that every child matters. Acknowledged every year at the end of September, Orange Shirt Day opens the door to conversations on all aspects of residential schools and is an opportunity to create meaningful discussion about the effects of residential schools and the legacy they have left behind.

The Richmond Board of Education is committed to reconciliation and invites all members of our school communities to participate in Orange Shirt Day and take time to reflect on The National Day for Truth and Reconciliation on September 30.

**Report to the Board of Education (Public)**

**Date:** October 23, 2024  
**From:** Cindy Wang, Secretary Treasurer  
**Subject:** **Fall 2024 Enrolment Update**

This report is provided to the Board of Education (the Board) for information purposes. No further action on behalf of the Board is required at this time.

**INTRODUCTION**

As of September 30, 2024, the total full-time equivalent (FTE) student enrolment in the District has reached 23,388, including 22,584 domestic student FTEs and 804 international students. This reflects an increase of 688 FTE students (or 3%) compared to the previous year. This report provides an update on current enrolment and its funding implications, comparing actual figures to the projections used in the district’s 2024/25 spring budget.

**DISCUSSION**

The table below outlines the full-time equivalent (FTE) student enrolment numbers, as opposed to headcounts. Most areas within the district have experienced a net increase in funded enrolment FTEs compared to the projections included in the 2024/25 Annual Budget.

Actual enrolment data for 2024/25 show a net increase of 185 FTE students across the district compared to the original projections, resulting in an estimated funding increase of approximately \$1.6 million. Actual enrolment for students with unique needs in 2024/25 shows an increase of 240 students, resulting in an estimated additional funding of \$1.8 million. Total operating grant increase is estimated to be \$3.4 million.

	<b>2024/25 Projection</b>	<b>2024/25 September 30 Actual</b>	<b>Change from Projection to Actual</b>	<b>Funding Implications Projection to Actual</b>
Elementary	13,262	13,392	130	\$1,158,950
Secondary	8,890	8,928	38	\$335,984
Alternate Program	82	73	(9)	(\$80,235)
Richmond Virtual School	165	191	26	\$189,450
<b>Total K-12 School Age Funded Student FTEs</b>	<b>22,399</b>	<b>22,584</b>	<b>185</b>	<b>\$1,604,149</b>
<b>Unique Student Needs:</b>				
Students-disabilities and diverse abilities Level 1	13	15	2	\$101,460
Students-disabilities and diverse abilities Level 2	1,055	1,115	60	\$1,444,200
Students-disabilities and diverse abilities Level 3	155	140	(15)	(\$182,400)
English Language Learning	7,576	7,747	171	\$306,945
Indigenous Education	255	242	(13)	(\$23,010)
Adult Education	15	47	32	\$182,791
<b>Total Unique Student Needs</b>	<b>9,069</b>	<b>9,306</b>	<b>237</b>	<b>\$1,829,986</b>
<b>Total Estimated Operating Grant Impact:</b>				<b>\$3,434,135</b>

The Richmond International Education (RIE) program continues to significantly contribute to the district’s revenue streams. According to September 30, 1701 Report, the total enrolment for the RIE program is 804 students, generating approximately \$12.9 million in gross revenue. During the spring budget process, enrolment was projected to reach 875 students; however, actual enrolment fell short by 71 students. This variance resulted in \$1.1 million less than projected gross revenue compared to the budget.

It is important to note that while gross revenue from the program is lower than projected, related expenditures, such as homestay fees and other associated costs, will also decrease proportionally due to the reduced student intake. The net income is estimated to be impacted by \$330,000, which will not affect the district’s ability to deliver educational programs under the board’s mandate.

It is also important to understand that the September 30 enrolment is a snapshot of the program intake as of the end of the month. However, international student registration will continue throughout the academic year, with staff registering students for the second semester, as well as for the short-term programs. As a result, the total revenue from the program by the end of the school year is projected to be comparable to that of the previous year.

	2023/24 September 30 Actual	2024/25 Projection	2024/25 September 30 Actual	Change from Projection to Actual	Variance Projection to Actual – Gross Revenue
International Education	800	875	804	(71)	(\$1,136,000)

**CONCLUSION**

The final FTE enrolment as of September 30, 2024, will be factored into the Ministry of Education and Child Care’s operating grant calculation, expected to be announced in December 2024. This recalculation is projected to generate approximately \$3.4 million in additional operating grants due to enrolment growth. However, the increase in revenue will be partially offset by lower-than-projected international student enrolment, resulting in a net additional revenue increase of \$2.3 million for the 2024/25 school year.

The anticipated increase in operating revenue will be allocated to enhance classroom support, including the hiring of additional teaching staff to meet the requirements of the collective agreement and to address the needs of students with disabilities and diverse abilities.

Furthermore, the additional revenue will help mitigate inflationary cost pressures, including rising employment benefit costs, insurance premiums, and higher expenses for supplies and services. Expenditures related to the international program are also expected to decrease in proportion to the lower-than-projected student enrolment as well. These adjustments in both revenues and expenses will be reflected in the 2024/25 Amended Budget, which will be scheduled for the board’s approval in February 2025.

*Cindy Wang, MSc, CPA-CA  
Secretary Treasurer*

## Report to the Board of Education (Public)

**Date:** October 23, 2024

**From:** Shaun Sephton, Director, Richmond International Education

**Subject:** **Richmond International Education Annual Update**

---

The following report is for information only. No further action on the part of the Board is required at this time.

### **INTRODUCTION**

Richmond International Education (RIE) is a program of choice that has been providing significant and measurable benefits to the district for the past 26 years. This report is intended to focus on the recent successes of the program and our plans to facilitate the growth and development of the program into the future.

RIE consists of short-term and long-term study options; an after-school program (Connections); a parent program (Welcome to English); customized group programs; summer camps; as well as professional learning programs (administrators & teachers) that are delivered on-shore (Richmond) and off-shore.

### **ENROLMENT DATA**

Since the last report submitted to the Board on October 25, 2023, International Education has continued to welcome over 800 long-term students from 18 countries around the world, despite facing pressures stemming from the lingering effect of the COVID-19 pandemic and ever-changing geopolitics. As of September 30, 2024, RIE student FTE was reported at 804, a slight decrease compared to the previous school year. However, the number of students enrolled in the short-term programs have exceeded the previous year's total and are expected to continue to grow.

### **RIE STUDENT PROFILE**

Overall, our international student population remains diversified. The increased diversity of our student profile during the global pandemic has sustained into the current school year. We have seen a growth in student participants from Northeast Asia, in particular Mainland China and Japan, typical participation levels from Europe (Italy and Germany) and South America (Brazil), and moderate growth in student numbers from Vietnam and South Korea which are still below pre-pandemic levels. Meanwhile, the program is experiencing an increase in program participation from other parts of Asia (Thailand), Europe (France, Belgium, and Spain), and Oceania (New Zealand).

### **RIE PROGRAM SUCCESSES**

The most significant factors that positively impacted our program were Board and Senior Team support, collaboration with our district level and school-based colleagues, and dedicated and experienced RIE staff ability to enhance an already vibrant international education program.

Other successes include the continued diversification of program, enhanced communication and engagement with students and their responsible adults, staff, schools, and overseas partners, and

student achievement. Engagement strategies included hybrid new student orientations, offering parent English program, international parent information sessions, database and program payment platform enhancements, homestay program recruitment, retention, support and engagement, and a growth in short-term programming. Database, payment platform, ELL assessment tool, and medical insurance enhancements have increased efficiency, reduced our environmental footprint, and improved communication and support for students, parents, and schools.

### **RIE PROGRAM CHALLENGES**

The most relevant challenges faced as it pertains to International Education are federal government initiatives and policies changes, Immigration, Refugees and Citizenship Canada (IRCC) entry priorities and document processing times, geopolitical considerations, homestay availability, flight availability and cost, school space availability, and increased competition.

### **PROGRAM DEVELOPMENT**

While our long-term study program remains our most popular program and primary focus, we continue to work on augmenting program options and developing new opportunities beyond our long-term study program to supplement revenue, increase global diversity, and support the sustainability of the program overall. We continue to enhance our professional learning services, short-term and group program offerings, and provide additional supports for students, schools, and families.

The RIE program will continue to reflect the internal and external opportunities and pressures within and beyond the district. We continue to manage our growth in a measured and thoughtful fashion to maintain program quality and accessibility for our students and schools. COVID-19 had a singular impact on our program. The impact of the global pandemic will likely continue to have an influence on our program for the next year.

### **CONCLUSION**

The Richmond International Education (RIE) team is dedicated and works diligently to offer a vibrant, diverse, and comprehensive program. This program involves an increasingly wide variety of participants, ranging from students, parents, government, professional staff, and our broader community, which in turn serves to foster greater international understanding and connections.

RIE is also important for the support it provides for the various initiatives of the Board and senior administration. Regular communication and dialogue with the Board, our school communities, and the public is not only valued, but necessary to meet the needs of our district and our international students and their families. The guidance and support of the Board is greatly appreciated and essential to program success as the program continues to evolve.

## Report to the Board of Education (Public)

**Date:** October 23, 2024  
**From:** Debbie Tablotney, Trustee, Chairperson of Policy Committee  
**Subject:** **Policy 203-R and 203-G: Trustee Stipend and Expenses**

---

### RECOMMENDATION:

**THAT** the Board of Education approve revised **Policy 203-R and 203-G: Trustee Stipend and Expenses**, in accordance with Board Policy 204: *Creation and Revision of Policy and Regulations*.

### BACKGROUND:

During the in-camera board meeting held on September 27, 2023, a discussion took place concerning Policy 203-G, which pertains to trustees' expenses with regard to community relations and fundraising activities. After deliberation, it was agreed that trustees should be provided the discretion to select events they wish to attend, with an annual allotment of up to \$500 for such events. Additionally, the current policy will be forwarded to the Policy Committee for review.

With the approval of the revised Trustee Code of Conduct in the May 22, 2024 Public Board Meeting, the proposed revisions to Policy 203-R and 203-G may proceed to Policy Committee for review and feedback.

Research conducted on a number of BC school board policies are silent on governing trustees' involvement in community relations and fundraising activities. The same policy scan did however reveal in the context of attending conferences, meetings or other events, that some school boards require board approval, whereas others grant individual trustees the discretion to exercise judgement when choosing activities they wish to attend. Several of the policies reviewed provided guidance that such activities should enhance a trustee's effectiveness and align with their roles and responsibilities.

The proposed revisions are detailed in the attached Policy 203-R and 203-G documents. The revisions aim to empower trustees to exercise their professional judgement in selecting community functions to attend, thereby supporting them in fulfilling their roles and responsibilities. The intent of trustee representation in these events is to foster community engagement and connection with the Richmond learning communities, while ensuring alignment with Trustee Roles, Responsibilities and Code of Ethics outlined in Policy 200.

Each trustee will be provided an annual budget allotment to cover the costs associated with their representation and/or financial contributions to fund raising at the community relations functions they choose to attend. In the current budget, this allotment is \$500 per trustee per year.

**PROPOSED TIMELINE:**

June 2024	In-camera Policy Committee meeting	Revised Policy 203-R and 203-G to be shared for feedback from trustees.
September 2024	Public Policy Committee meeting	Draft revised policy reflecting trustee feedback shared with the Committee. Referral to the Board for notice of motion.
September 2024	Public Board meeting	Possible notice of motion for approval at October Board meeting.
October 2024	Public Board meeting	Possible final approval of revised policy.

**CONCLUSION**

The Board’s current policy requires a resolution from the board delegating one or more trustees to attend community relations and fundraising activities. Proposed revisions to Policy 203-R and 203-G provides individual trustees the discretion to exercise their professional judgement when selecting activities they wish to attend that are consistent with Policy 200 Trustee Roles, Responsibilities and Code of Ethics.

As per Board Policy 204-R, it is recommended not to include this revised policy in the partner group review process, since the revisions pertain to board governance matters.

*Respectfully submitted,*

Trustee, Chairperson of Policy Committee*

## GOVERNANCE

## Policy 203-R

### Trustee Stipend and Expenses

#### **Trustee Stipend**

Trustees act as an interface between their community and the education system, establishing policies to govern the district. Such oversight requires of trustees considerable knowledge, time and effort.

This work of school trustees in exercising their duties is recognized by payment of an annual stipend.

In recognition of the additional responsibilities of their roles, the Chairperson and Vice Chairperson of the Board will be allotted a sum in addition to the trustee stipend.

#### **Trustee Expenses**

The Board believes all trustees require resources to effectively assist them in carrying out their duties and will provide such resources to trustees during their term in office.

The Board may also direct trustees to engage in activities on its behalf or trustees may, on their own initiative, engage in activities wherein individual trustees incur personal expenses not covered by the expense allowance of their annual stipend. These expenses and activities may take the form of the following:

- *Hosting*
  - Individual trustees may, from time to time, host a meal or refreshments for individuals engaged with them in School Board business.
  - The goals and outcomes of the meeting as well as a list of attendees shall be reported to the Board.
  - The Board will not fund such meetings if held for political advantage.
  - Further, spontaneously held functions hosted by individual or groups of individual trustees from June to December in a normal civic election year will not be considered for reimbursement.
- *Community Relations and Fundraising*
  - Trustees have discretion to attend functions that foster District or school relations or that have significant benefit for students, in accordance with the Administrative Guidelines established to support this regulation.

Adopted: 02 June 2008

Revised: 17 October 2011; 21 November 2016

## GOVERNANCE

## Policy 203-G

### Trustee Stipend and Expenses

#### **Trustee Stipend**

Trustee stipend levels will be approved annually as a separate line item in conjunction with the district operational budget.

Trustee stipends will be adjusted annually according to the rate change in the Vancouver Consumer Price Index (CPI) for the previous year.

Before the end of the trustees' term, the trustee stipend will be reviewed to ensure the current value is comparable with school districts in the region whose stipend similarly includes an undocumented allowance for expenses incurred within the district.

Trustees will not be reimbursed for travel expenses within Richmond, or for other expenses associated with fulfilling their duties in Richmond at meetings, district events and liaison schools. Such expenses are covered by the stipend. Travel expenses outside of Richmond are reimbursable, as set out in "Expenses Claims" section below.

In accordance with the provincial Financial Information Act-Regulation, Trustee stipend levels and expenses reimbursed are reported each fiscal year in the district's Statement of Financial Information. This information is made available on the district's website.

#### **Trustee Expenses**

As required, trustees will be provided with resources deemed necessary by the Board.

Upon termination of their role as trustee, equipment provided by the District may be required to be returned to the District.

#### **Expense Claims**

- Claims for reimbursement should be submitted within a month of occurrence (and must be submitted by the end of the fiscal year) to the Secretary Treasurer for acceptance and will be paid upon Board approval.
- Expenses claims submitted after the end of the fiscal year in which they were incurred will not be honored.
- Original itemized receipts are required for all expenses with the exception of the per diems.
- Credit card statements and credit card receipts should be accompanied by original itemized receipts.
- In instances where an original receipt is not issued or has been lost, a copy of the credit card statement or credit card slip together with an explanatory note signed by the claimant must accompany all travel and expense claims.
- Trustees are discouraged from using personal credit cards for material expenditures related to Board business, as the rewards accrued can attract a taxable benefit under Canada Revenue Agency regulations. Material expenditures include, but are not limited to capital items such as computers, meeting room bookings, etc. However, it is recognized

that for incidental and travel expenses credit cards are an acceptable and appropriate medium for payment.

- Token gifts, not exceeding \$100.00 will be reimbursed with original receipts.
- The following documented travel expenses outside the Lower Mainland will be reimbursed: economy return airfare, bus, ferry, train, or vehicle kilometrage and parking, whichever is the lesser. Vehicle kilometrage and meals will be compensated at the BCSTA (BC School Trustees Association) per diem rates.
- Expenses incurred outside Canada will be reimbursed in the Canadian equivalent value at the time the expense was incurred.

## **Ineligible Expenses**

Expenses which are ineligible for reimbursement are inclusive of, but not restricted to:

- Any expenses related to accompanying travel companions, except where a spouse or companion has received a written invitation to the event
- Pet care expenses
- Non-business or personal related expenses (hairdressers, toiletry articles)
- Parking and other traffic fines
- Personal travel insurance for non-Board activities
- Insurance coverage for privately owned vehicles
- Expenses for the repairs and cleaning of privately owned vehicles
- Expenses related to damages to privately owned vehicles or to uninsured rental cars
- Interest charges levied on overdue invoices or credit card statements
- Unnecessary stopovers
- Lost or stolen items
- In room entertainment
- Medical bills, prescriptions, etc., except for immunization costs incurred for foreign business travel as required by Public Health Canada
- Alcoholic beverages
- Tobacco

## **Hosting**

Claims for expenses paid by a trustee to host individuals for refreshments or meals in the course of District business require submission of receipts, names of attendees and purpose of the meeting. Reimbursed costs will not exceed the current BCSTA per diem rates for meals.

## **Community Relations and Fundraising**

- Each trustee is provided an annual budget allocation for costs associated with their representation and/or financial contribution to fund raising at community–relations functions.
- Trustees have discretion to determine the events they choose to attend in a manner that ensures their choices enhance trustee effectiveness and align with the established policies, with consideration for Trustee Roles, Responsibilities and Code of Ethics as outlined in Policy 200.
- Trustees who attend such functions and who incur expenses as a result will be reimbursed in accordance with these Administrative Guidelines.
- Travel expenses within the District will not be reimbursed.
- The Board will pay for trustee and/or delegated staff attendance only. Attendance will be shared equitably among trustees.

## Report to the Board of Education (Public)

**Date:** October 23, 2024

**From:** Debbie Tablotney, Trustee, Chairperson of Policy Committee

**Subject:** **Policy 400-R5: Smoking and Alcohol Consumption, and Policy 804.1-R: Community Use of District Facilities**

---

### RECOMMENDATION:

**THAT** the Board of Education approve revised **Policy 400-R5: Smoking and Alcohol Consumption, and Policy 804.1-R: Community Use of District Facilities**, in accordance with Board Policy 204: *Creation and Revision of Policy and Regulations*.

### BACKGROUND:

From time to time, Policy Committee will bring forward revisions to existing policies and/or regulations for the Board's consideration. Ultimately, all revisions supported by Policy Committee will require approval at a public meeting of the Board of Education.

### POLICY CONSIDERATIONS:

The proposed revisions to Policy 400-R5 and 804.1-R are guided by an identified vulnerability contained in two board policies which can allow for the consumption of alcohol on district property. Staff have received guidance from the district insurance provider and legal counsel regarding the proposed changes.

At the Board of Education In-camera Meeting held on January 24, 2024, the following motion was passed:

**THAT** until such a time that the Board of Education (the Board) has reviewed the policies, that the Board suspend the current language in Policy 804.1-R and Policy 400-R5 with respect to the Superintendent's ability to approve requests for consumption of alcoholic beverages on district property.

At a special meeting of the Board of Education (In-camera) held on February 2, 2024, the following motion was passed:

**THAT** the Board of Education authorize the Superintendent of Schools to communicate the Board's decision regarding alcohol consumption on school property with staff and public as appropriate.

Subsequent to the April 15<sup>th</sup> Policy Committee In-camera Meeting, and at the request of Policy Committee, staff consulted with the legal counsel regarding proposed changes to Policy 400-R5. Counsel input has been incorporated in Policy 400-R5 and 804.1-R draft revised documents.

At the public meeting of the Board of Education held on May 22, 2024, the Board approved revised Policy 400-R5 and 804.1-R for entry into the partner group review process from May 23 to July 23, 2024. Partner group input was received and incorporated into the draft revised policies.

**LEGISLATIVE CONSIDERATIONS:**

#### **Alcohol and Drug Consumption/Misuse**

While conducting school district business includes persons engaged in supervision of students on field trips of all varieties.

## COMMUNITY RELATIONS

## Policy 804.1-R

### Community Use of District Facilities

Richmond School District facilities may be used by individuals, groups, or organizations within the community according to the following guidelines:

#### **Priority for the Use of District Facilities**

The following order of priority will be adhered to in the use of school facilities:

1. District educational activities including early learning programs and extra-curricular programs.
2. Childcare programs (both operated privately, or Board operated).
3. Richmond Continuing Education classes.
4. School community groups.
5. Groups booked through the City of Richmond.
6. Others.

Once a reservation is accepted through the Facility Rentals, cancellation will only occur if the facility reserved is required by the school, by Richmond Continuing Education, or for some special function such as an election. A minimum of seven (7) days' notice will normally be given in the event that cancellation is necessary.

#### **Priority for the Use of Neighbourhood Learning Centres**

In the case of a Neighbourhood Learning Centre (NLC), priority for usage will be given to community groups and/or organizations which:

1. Serve the Richmond community.
2. Encompass the broad spectrum of literacy.
3. Are of mutual benefit to both the school and the community at large.
4. Are non-profit.
5. Provide an array of services, support, and resources for individuals from infants to seniors.

#### **Liability**

Individuals, groups, or organizations using District property are responsible for securing liability insurance protection and must provide the District with evidence of coverage. The Board carries liability insurance to indemnify it against its liability as the owner of the school and facility, and the negligence of its employees in carrying out their employment duties. Thus, the Board will only be liable when negligence on the part of the Board or an employee is proven by the individual(s) suffering the injury or damage.

#### **Equipment**

District equipment may be used only with the permission of the school principal.

#### **Alcohol, Smoking, Vaping, and Drug Consumption/Misuse on Board-Owned and Leased Property**

The Board prohibits smoking, vaping, the consuming of alcohol, cannabis, or purchasing, transferring, using, or possessing illegal drugs as defined in the Government of Canada Controlled Substances Act Section 4(1), and the misuse of prescription drugs on Board-owned and leased property.

## **Damage, Loss, or Theft**

Groups using school district facilities accept responsibility for the cost of repairing any damage occurring during community use, and/or of replacing any equipment lost or stolen during such use; and pay any resultant costs. Any group failing to pay charges associated with the use of the school will forfeit future privileges. In addition, the Board reserves the right to take appropriate action to recover such costs and charges.

## **Reservation and Cancellation**

A minimum of one week's notice is required for a reservation and for cancellation.

## **Rental Charges**

The Board, in accordance with District Policy 804.4 – Fees for Use of District Facilities, sets and annually reviews a Schedule of Charges for the use of District facilities. The Schedule of Charges will be available on the District website and from the Facility Rentals Office.

Special requests for access to District facilities which are not covered by the normal regulations and the established schedule of charges may be submitted, in writing, to the Secretary-Treasurer for approval. Charges for such special rental situations will be set on an individual basis by the Secretary-Treasurer.

For a request to be considered for a no-cost rental of NLC space, all of the following criteria must be met:

- All organizations must be non-profit community groups.  
The non-profit organization must provide evidence to the Richmond School District that it is operating on a non-profit basis, and its program must provide a definitive community service for residents of Richmond in one, or more, of the following areas:
  1. Promoting and enhancing the broad spectrum of literacy.
  2. Enhancing the provision of childcare programs that practice the shared principles of early learning, Indigenous reconciliation, and inclusivity.
  3. Improving learning for those who are economically disadvantaged.
- In its request for the use of the NLC, the non-profit organization must submit an outline of their program to the District that includes:
  1. The objectives of the program.
  2. A profile of the clientele being served.
  3. A schedule of dates and times for the use of the NLC.
  4. The space, furniture and other infrastructural needs of the program.
  5. The estimated number of clients and staff involved in the program.
  6. The processes involved in assessing the success of the program in meeting its objectives.
- The rental should be for a short term period only.
- The request, when considered in conjunction with other approved no-cost rentals of NLC space, must result in a mix of users, programs and agencies that represents the broad spectrum of Richmond community services.

The intent of the criteria in this step is to ensure that the no-cost option is available to as broad a spectrum of non-profit user groups as possible, so that the many segments of the Richmond community that require support can benefit without any group dominating the use of the space at the expense of others.

## **Capacity**

Occupancy/seating capacity of each facility will be limited, as determined by Fire Marshall regulations.

## **Forfeiture of Use**

In the event of violation of any of the provisions outline above, the Board reserves the right to cancel the use of any school facility and/or equipment.

## **Childcares**

Licensed childcare programs are permitted to license space that is not required for K-12 educational programs, early learning programs or extra-curricular activities in school facilities or on school grounds and/or to locate a portable building on school grounds, provided that their program will not unfavourably impact student safety, affect District programs and meet requirements of local government. Use of any school facility by a childcare operator requires a written agreement through a **License to Occupy**. Applicants must meet all District, municipal and childcare licensing requirements.

Should a relocation of an existing licensed childcare operator or termination of an existing childcare license be necessitated, the Board must, without delay, provide the Minister of Education and Child Care with written notification of the decision in a form and with the information specified by the Ministry of Education and Child Care.

The Superintendent then responded to questions from the Vice President of Richmond District Parents Association on the district's measures to prevent vaping and drug use in schools, and how such violations are handled. In addition, the President of Richmond Teachers Association mentioned that there has been no evidence of teachers smoking or vaping in schools.
